

WECONNECT[®]

Model:WCA1-10

Features/Specifications

- Surge protection
- Lightening proof
- Resetable thermal fuse for each channel
- Short circuit auto restart
- low ripple voltage (mv-p-p) <5%
- Stabalized output
- Constant output
- Body Type: Metal
- Input voltage: 150-285v Ac-50/60 hz
- 12v-10amp for 8 channel (1.25 amp for each channel)
