

# WECONNECT<sup>®</sup>

Model:WCA1-5

## Features/Specifications

- Low interference
- Stabalized output
- Short circuit auto restart
- Resetable thermal fuse for each channel
- Over voltage protection
- Over load protection
- Constatnt input
- Body Type: Metal
- Input voltage: 150-285 vAc-50/60 hz
- 12v-5amp for 4 channel camera(1.25 amp each channel)
